

Director of Music and Organist

Christ Church Morningside (Scottish Episcopal Church) is seeking to appoint a new Director of Music and Organist to lead and continue to develop the music that enhances our worship.

Our all-aged robed SATB choir sings an anthem each week and leads the congregation at the Sunday morning Eucharist. They rehearse on Thursday evenings and before Sunday worship.

Christ Church has a two manual pipe organ, originally built in 1878 by Peter Conacher of Leeds, which is maintained by Forth Pipe Organs and is in good condition. The specification can be found on npor.org.uk, reference R0031.

The person appointed will be responsible for playing for Sunday morning services, holding Thursday evening choir practices, liaising with the Rector to choose the music, and continuing the musical tradition at major Christian festivals.

Salary: In line with SFO guidelines
